

CONGRESSES, EVENTS AND LOCATIONS

Find your space

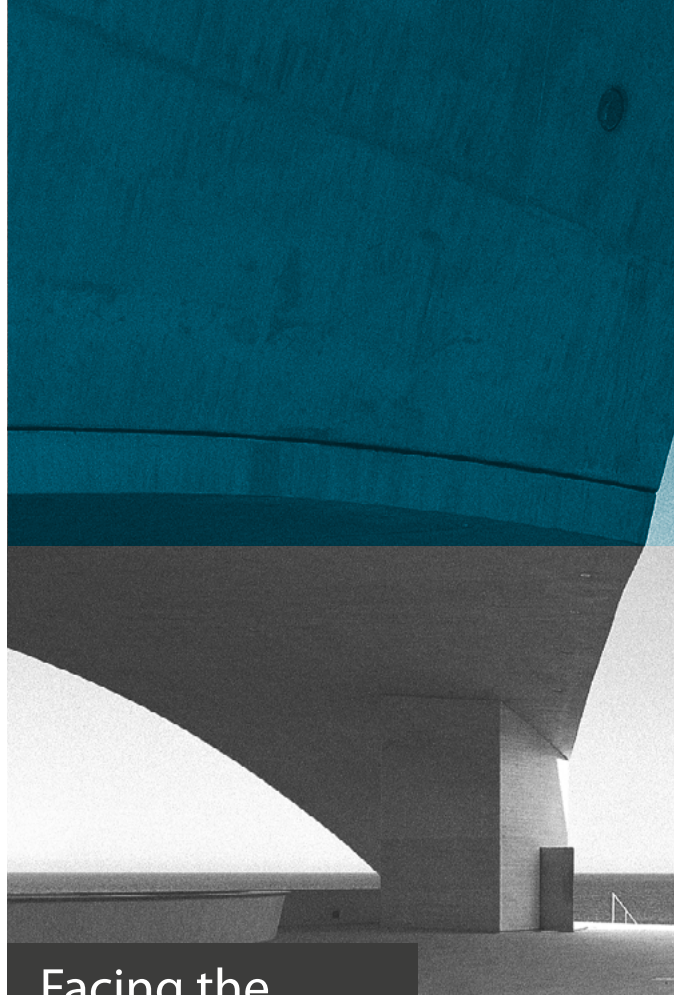

**AUDITORIO
DE TENERIFE**

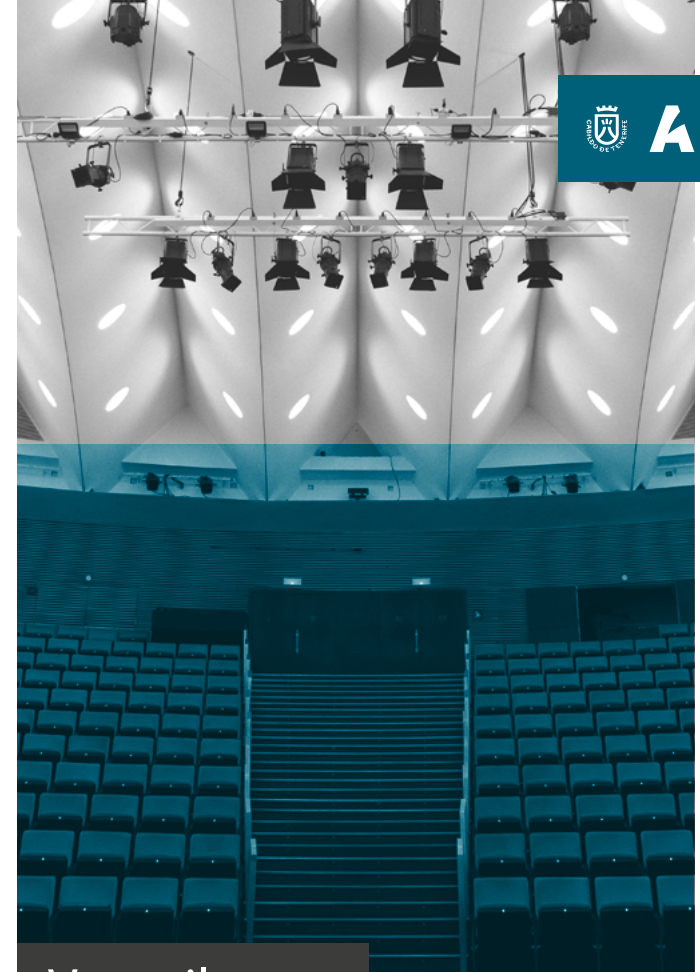

Cutting-edge Spaces

Through the department of **conventions, events and film locations** of the Auditorio de Tenerife, the singular spaces of this state-of-the-art venue are available for hire by domestic and foreign parties.

Facing the Atlantic Ocean

The building is on a 23,000-square-meter plot of land next to the Atlantic Ocean. **Open to all ideas**, architect Santiago Calatrava's creation lends its beauty and personality to any event or film shoot.

Versatile Spaces

This outstanding landmark of Santa Cruz offers **15 unique, multi-use halls, squares, balconies and areas** for unforgettable and captivating moments. All of this is guaranteed by the **staff of the Auditorio de Tenerife**, who have surpassed expectations in every new challenge they have undertaken in the last 20 years.

Discover what the *pearl of the Atlantic* has to offer.

Elegant and dazzling. The impressive Symphony Hall.

The size and shape of the Symphony Hall make an immediate impression, as do its technical and acoustic properties. Its stunning white walls, reminiscent of a volcano or a sun, reflect light in harmony with the rest of the building's aesthetics. This concert hall is unique and recognisable the world over.

Presentations
Congresses
Institutional events

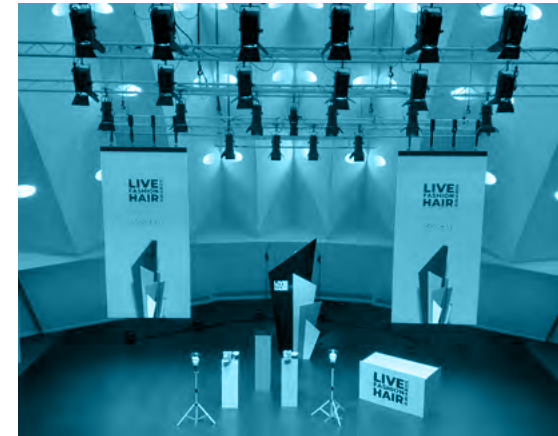

A versatile and welcoming space.

Arranged in a sloping semicircle inspired by the theatres of Ancient Greece, this hall evokes sensations of democracy, proximity and solemnity. Its brilliant interior design, mainly consisting of gleaming white surfaces, is complemented by its technical and visual versatility. Between the entrance and the central area of this hall, there are other spaces for people to mingle before or after an event.

CHAMBER HALL

↕ 1.200 m²

**Presentations
Banquets
Fairs and exhibitions**

The concrete vault will leave you speechless.

This incredible, beautiful open-plan space is located at the very heart of the auditorium and may be used as a reference or meeting point at any event. Its considerable width and height and its access to the square and ocean views give it tremendous potential and may be harnessed for any creative idea.

MAIN HALL

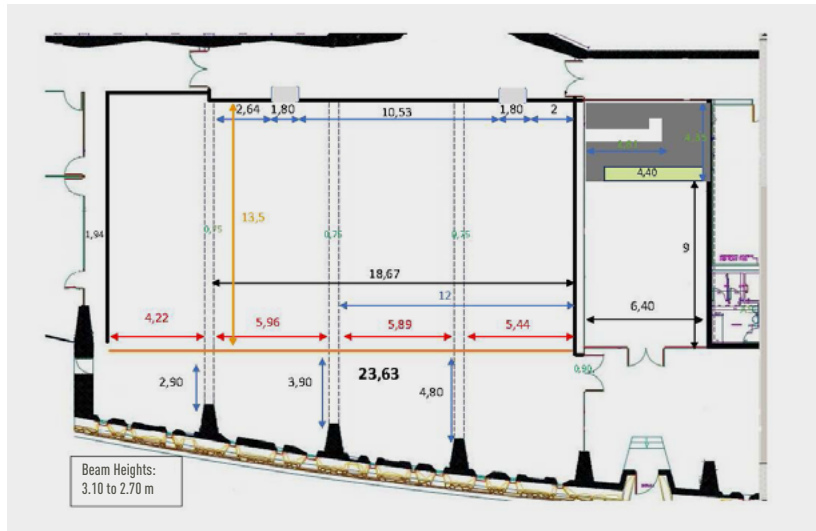

MULTI-USE HALL

Banquets
Fairs and exhibitions

**A versatile and
multifaceted space.**

This hall is versatile and plural. Its highly original design of asymmetrical windows and colours on its walls, in addition to the exposed beams, fills this space with character and ambience. It is suitable for exhibitions, presentations, making statements, unveilings, announcements, risk-taking, adventures, any kind of product, and any type of event.

GALLERIES

Cocktail parties
Banquets

Privileged views.

The balconies adorning the building on each of its sides, known as galleries, are pleasant meeting places with extraordinary views of the city, the sea, and the mountains. Striking in their appearance, they function as ultramodern vantage points, giving event attendees a privileged perspective. The open-plan, ample corridors may be used for various purposes. They are ready for modification to suit your needs and are free of structural features and obstacles.
